## ABOUT SIMPLY BODY TALK

*Simply Body Talk has been specialising in the domain of nonverbal communication since 2013. What started as a company in India now has presence in several countries across the globe. We work with managers to help them achieve professional excellence by employing body language techniques in their work. Our clients have been senior executives from Google, Discovery, Panasonic, Deloitte, Capgemini, Fujifilm, Adani, Essar, P&G, Hilti, Colgate, TCS, SBI Life Insurance, Wipro, Cipla, Intas, H&R Johnson, Redington Gulf, Indian Army, Mumbai GST Dept. to name a few.*

### UNIQUE COURSES

All our courses have content designed by our in-house team of specialists after spending years of research in nonverbal communication.

### SPECIFIC FOCUS

Each course will have very specific techniques of body language as applicable for the business skill that the course addresses.

### CASE STUDIES

Real life and video case studies make it easier for the learner to understand core concepts and how they apply in a business scenario.

### ADDITIONAL MATERIAL

Assignments, quizzes, case studies and bonus videos make it easy for learners to apply the concepts learnt and have them vetted by the trainer.
